## Referral System

- Patients should visit the nearest clinic available between 07h30 – 16:00 Mondays to Fridays.

- Should there be a need for the Clinic Sister to refer the patient to the next level of care, it must be done with a referral letter (H301)
- The referral letter should be submitted at the nearest District Hospital, which in this case is Phekolong or Nketoana District Hospitals.
- Should there be a need for the District Hospital staff to refer the patient to the next level of care, another referral letter will be issued (H301)
- The referral letter should then be submitted at the Regional Hospital (Dihlabeng Regional Hospital)
- In the event where patients need tertiary level of care, the patients will be referred to Universitas Hospital in Bloemfontein.
