

YOUR MEDICATION

- Do not store medicine in a warm place like the kitchen / bathroom or car
- Keep medicine out of children's sight and reach
- Never throw medicine in the rubbish bin, take it back to your pharmacy
- Always tell the healthcare professional
 - * If you are pregnant
 - * If you have an allergy
 - * If you are taking other medicine
- Check the label to ensure:
 - * Medicine are for the correct person
 - * Take medicine strictly on time
 - * Do not skip a dose
 - * Take the correct dose
 - * Always complete an antibiotic course
- Use a medicine measure, not a teaspoon
- Do not take medicine from another person; it might be harmful to you
- Do not buy medicine from markets or street sellers, it may be unsafe

Ask your pharmacist if you don't understand something.
